Responsive to the proposed communication re the power of attorney filed 4-24-86.

The above communication, signed by Jean Castet, has not been entered for the reason checked below:

- ☒ A report from the Assignment Branch dated 5/6/86, indicates that title appears to be vested in another.
- ☐ The signature of \_\_\_\_\_, (assignee of part interest) (co-inventor) in this application, has been omitted. The paper will be entered upon receipt of confirmation signed by said co-inventor.
- ☐ The person signing for the assignee has omitted his position, or is not an officer in the company.
- ☐ The substitute power of attorney does not comply with Commissioner's Notice of April 23, 1957, 718 O. G. 219. It is being returned herewith.
- ☐ There is no evidence in the records that the person appointed in the proposed power of attorney is registered to practice before the U.S. Patent Office.
- ☐ The person signing the proposed power of attorney is without any authority of record in this application.
- ☐ The signature of the applicant having part interest in this application has been omitted. R. 33.
- ☐ The signature on the power is a facsimile and therefore not acceptable.
- ☐ Other.
